In Memoriam

Sad losses have ye met
But ours is heavier yet,
For a true friend has gone from us.

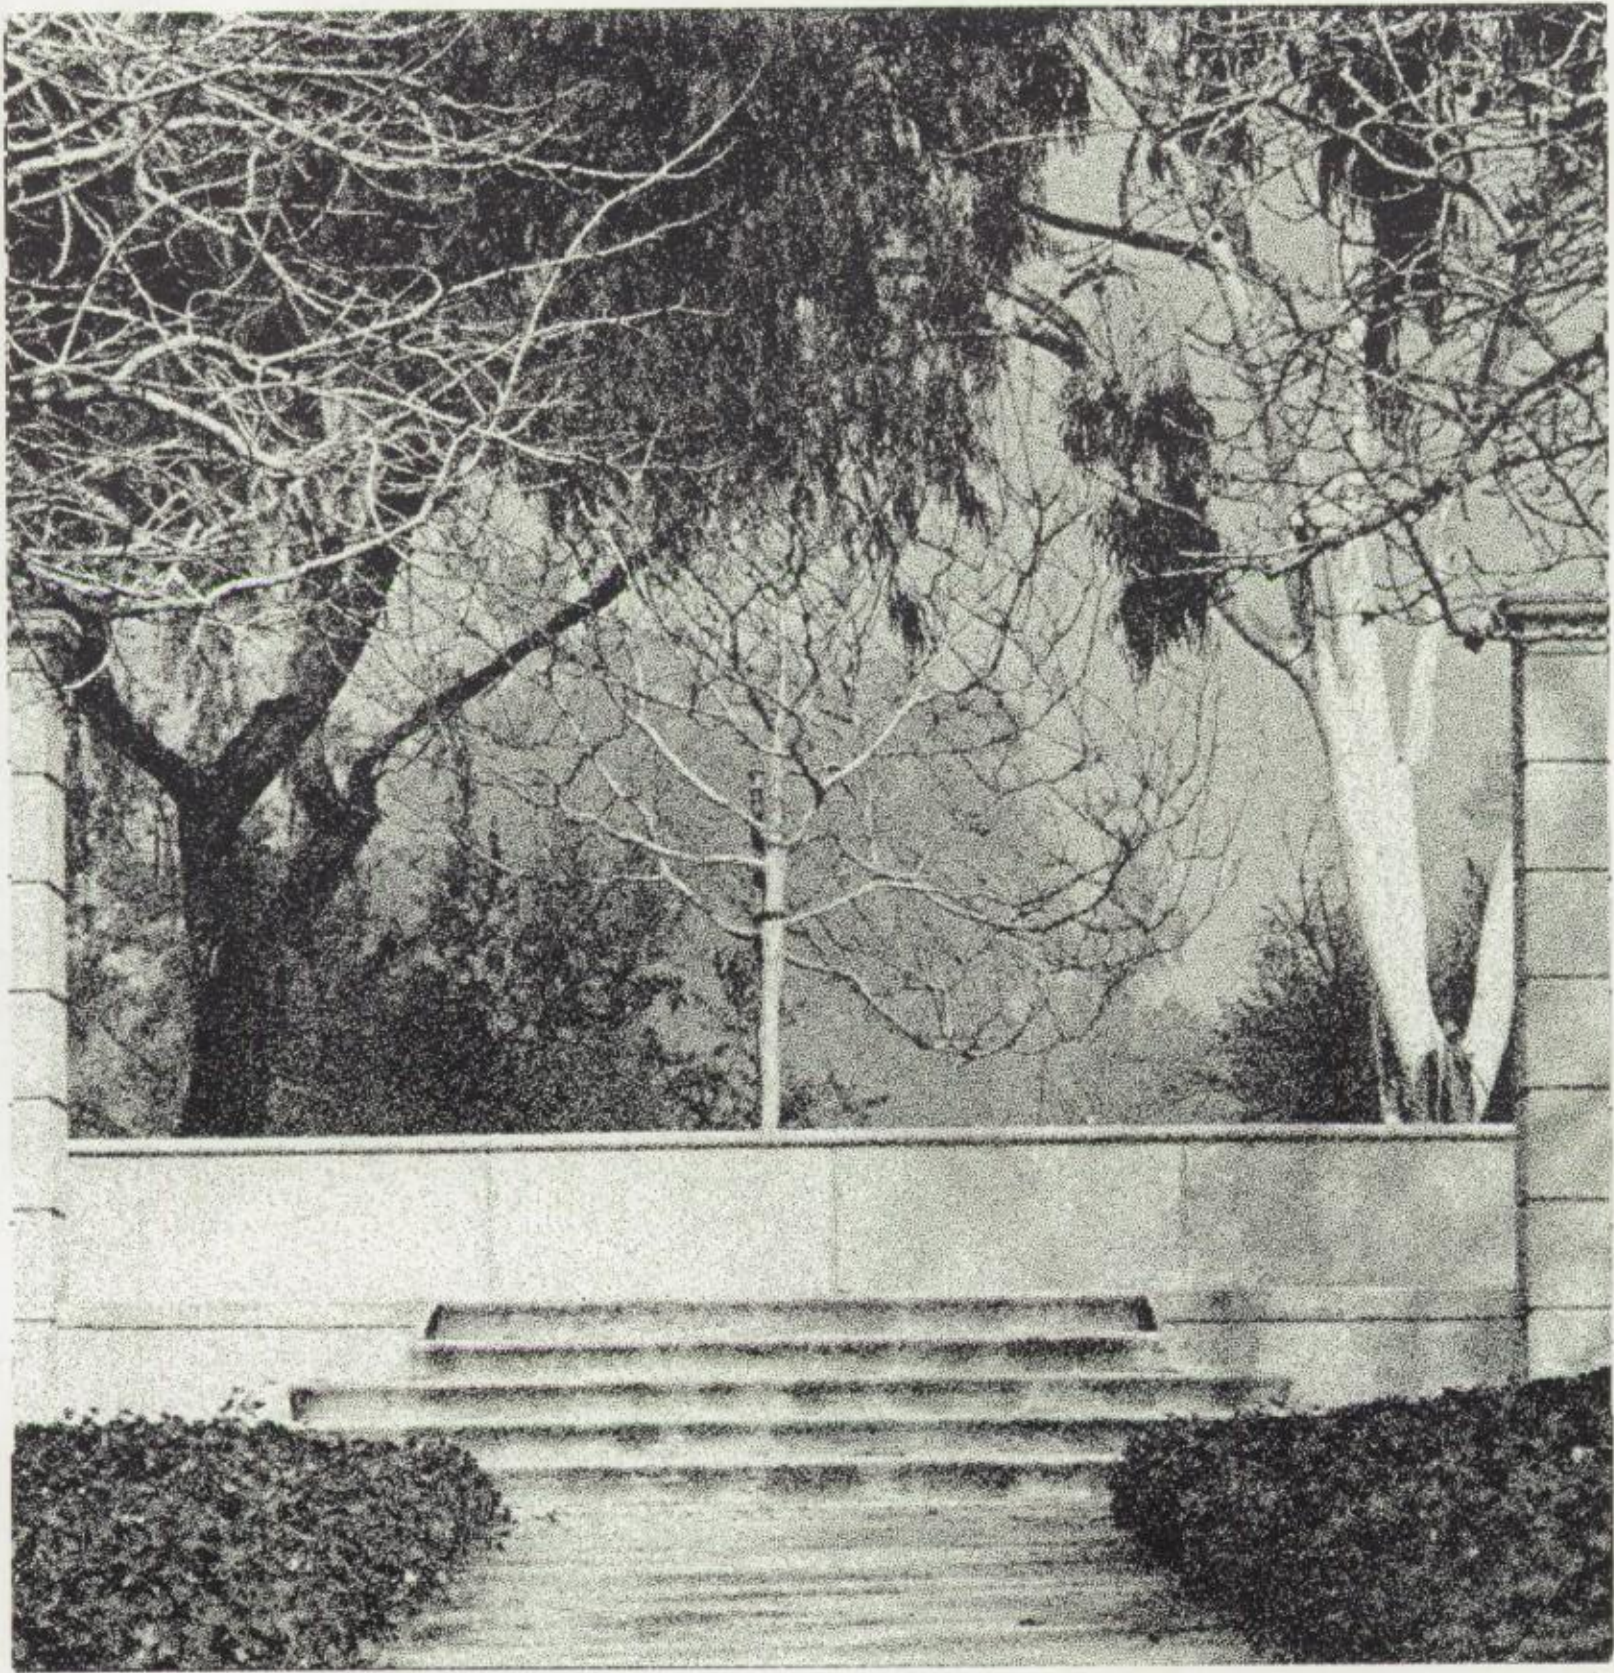

Van E. Terry
1955-1973

"... things which are seen
are temporal;
but things which are not seen are eternal."

II Corinthians 4: 18

Though I move with leaden feet,
Light itself is not so fleet;
and before you know me gone
Eternity and I are one.

William Dean Howell

Our schools, if they do their work,
strengthen our deliberate and deliberative selves.
Between the impression and the conviction,
between the impulse and the action,
we learn to pause and consider.

— Joseph Tussman

Administration

The Board of Education

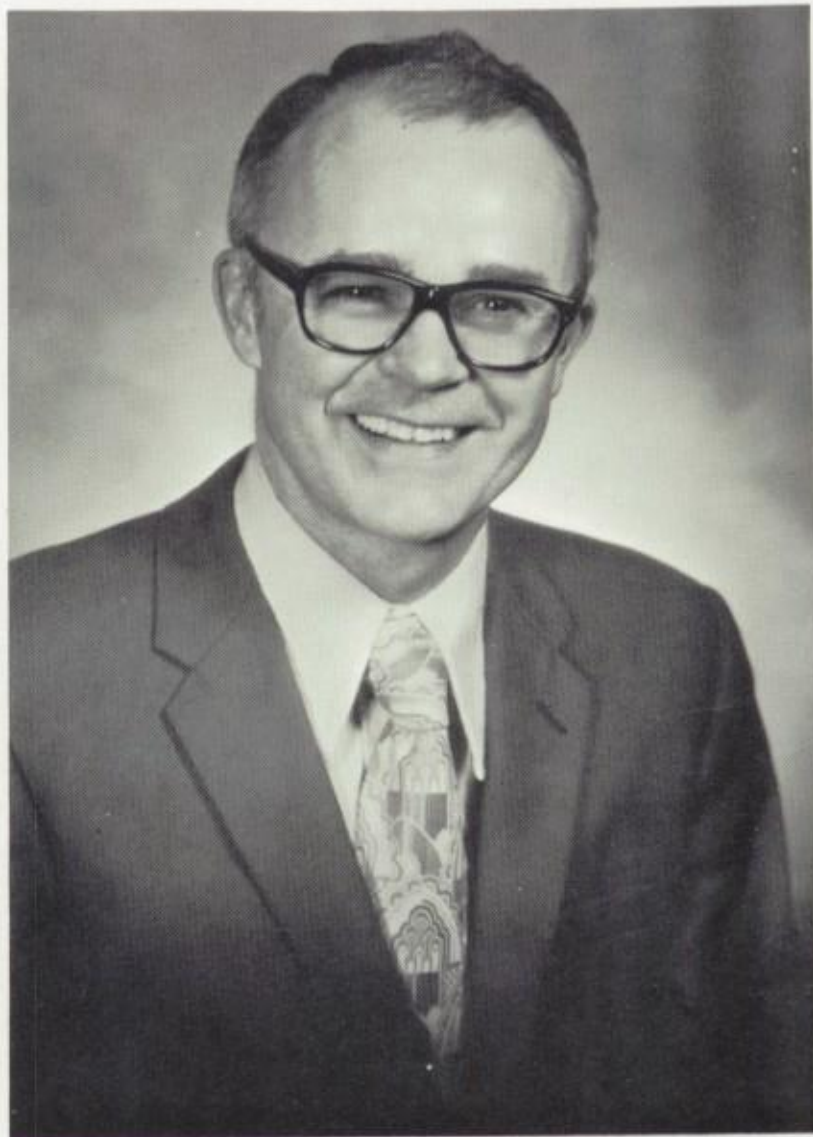

Row one: Raymond Berner, President; Dr. Roger Davies, Superintendent; Dr. A. W. Cooper. Row two: John Wickam, Treasurer; Harold Kimple, Vice President; James Sutter, Thelma Scott, Secretary; Clive Wells.

The members of the Board of Education have worked hard and have earned the appreciation of every student enrolled. It is through their ceaseless efforts that the students here keep their goal of better education for all firmly in mind. Thank you-board members for a difficult job well done!

Superintendent

"The 1973-74 school year has been a very fine one in spite of the energy crisis. Students have accepted lower thermostats and reduced lighting without a murmur. The spirit of cooperation among students and staff has been especially evident. Enrollment appears to have stabilized in contrast to the earlier dramatic loss of students. A new career education program is gaining momentum. As long as everyone - students, parents, and staff - are willing to work together, the Seymour Community School will continue to meet the needs of the community which it serves."

Dr. Roger Davies, Superintendent

Anita Rash

Thelma Scott

Principal

Maurice Stamps, Principal

"Because I have spent a substantial portion of my life in the Seymour School, people often ask me to compare present students and school with some period of time in the past. This is difficult to do because the people who ask me this question invariably regard their years in school as "the good old days" and the "best of times." It has always been my belief that more than 90% of the students in any given year are responsible young citizens, and it is a pleasure to work with them. That while social pressures and problems of a changing society cause changes - both good and bad - in school, human nature and the basic goodness of most people does not change very much. However, sometimes in recent years I have felt discouraged, and it has seemed the disruptions of our national society were doing great damage to the attitudes and ambitions of young people. But now it seems to me that we are returning to more basic moral values and certainly to better attitudes among our students. Great credit goes to this year's seniors, the class of '74. Their school spirit and cooperation has influenced the whole school. They seem to enjoy school and thus make school more enjoyable for others. We will miss them."

Mrs. Carole Adams, right, is Clerk Typist for Mr. Stamps, Principal and Dr. Roger Davies, Superintendent.

Carole Adams

Mrs. Lucille Swan, left, is Secretary for Mr. Stamps, Principal.

Senior Class

We, the class of 74, have reached the final plateau of our high school years with 34 members. As we look back, it seems as if it were only yesterday that we started our school careers.

In the beginning, we were timid but curious children taking the first steps toward our future as we crossed the threshold of education. We passed through the early years with one thought in mind "Will we ever grow up?" But together we faced the joys and the pains of learning and growing, and at last, after thirteen years, the finish is in sight. When we leave the halls of SCHS, we will take with us many fond memories, and the spark we need to light the torch of our future. We wish to thank everyone who helped to guide us along the way.

WE'RE ON OUR WAY!!

Homecoming Float

I've never been able to make it as a group.
I have a hard time making my mind and when I get all together
I seem to go all to pieces.
I'd like to gather myself together and talk about it
but I keep walking out in single file.
Maybe I'm just doomed to split up and go my way.

FHA is a national organization of students who study homemaking at least one year in high schools in order to help individuals improve personal, family, and community living. Our motto, "Toward New Horizons" reminds members that their present study and contributions toward home life will influence their community and country tomorrow.

This year's 54 members participated in attending the district meeting in October, initiating the new members, selling rolls at the basketball games, entering a joint float with the FFA in the Homecoming parade, and having special guest speakers.

Despite deadlines, lack of information, and sometimes lack of volunteers, the "Pepper" Staff serves as one of the school's major communication sources. The Staff hopes that their efforts are effective and "thanks" the student body for the support.

Cheerleaders in Action

The Varsity Cheerleaders kept busy this year putting up signs, getting Pep meetings organized, selling Homecoming Mums, working on their float and promoting spirit at the games.

They were rewarded for their efforts when they were presented the overall trophy for Homecoming.

Once again, the Band did a lot of foot-stomping. In addition to marching at all the home football games, the Band marched at an Indian Hills Comm. College football game at Centerville on September 22 gaining valuable experience to be used the following Saturday at Pancake Day. On October 20, the marching musicians performed at NMSU Homecoming at Kirksville, Mo. To end their busy season, they snapped their steps at Seymour Band Day on November 10, and for their grand finale gave a spirited yell-S-E-Y-?-!-*-?

To get the concert season off to a good start, several select members participated in the Conference Band Festival on November 20 & 27. Then came the holly-jolly Christmas Concert on December 20, followed by a Spring Concert, Large Group Contests, Pella Tulip Time, another concert and finally, Graduation Activities and the Band Banquet.

It was a very good year!!!

Schedule

The 1973-74 season saw the Warriors playing some exciting basketball. Most of the games were close with only a few points, the difference between victory and defeat. Much of the success was due to the improved floor play. Senior, Kevin McDannald, led the team in scoring 248 and Junior, Greg Lowe, led the team in rebounding 170.

The Warriors tied with South East Warren for 4th place in the conference with a 7-7 record. The Warriors finished the season at 7-10, with 7 of their losses coming from the top 3 teams in the conference.

Juniors, Greg Lowe and Scott McIntire and Sophomores, Terry Mitchell and Jeff Wells should form a good nucleus for next year.

Cross Country

The Seymour Warriorettes hustled to a fifth place finish in the Blue-Grass Conference finishing with a 9-11 overall record. A major asset of the team was a strong guard court led by four veteran senior guards: Karen Vanderlinden, Kahla Cherryholmes, Juanita Dickerson, and Maureta Kent. Second-team All-Conference selection Becky Hildenbrand was the lone senior in the forward court and led the team in offensive rebounding and scoring with an 18.7 average in conference play. Honorary captain of the 1973-74 basketball team was Maureta Kent, whose senior year was shortened due to injury. Through the first five games, up to Maureta's injury, the team was ranked first in the state, by the I.G.H.S.A.U., in team defense giving up a stingy 35.8 points per game.

Four-year letter-winner Kahla Cherryholmes was selected first team all-conference in her final two years of basketball. Kahla led the team in rebounding her senior year with a 10 rebound average, and will always be remembered for her hustle on the floor. Chosen captain of the team because of her strong example on good character, fine attitude, determination, and leadership qualities was Karen Vanderlinden. Karen was selected to the all-conference second-team. She followed Kahla closely in rebounding, and let the team in ball handling, committing only 1.7 errors per game while playing nearly 100% of the time.

Sophomore Mickey Rash finished second in sectional free-throw shooting hitting 23 of 25.

Row 1- A. Anna Anderson, S. Housh, S. Merritt, M. Rash, K. Kirkland, P. Jondle, K. Cherryholmes. Row 2- M. Stanton, K. Snyder, K. Vanderlinden, M. Kent, P. Berner, D. Lund, V. Albertson. Row 3- C. A new addition to the girls' athletic schedule this year was Cross-Country. Although the team didn't get to compete in any meets, it set a foundation for a new sport which shows a lot of promise for the future. It also provided an excellent way for basketball and track participants to get in some extra conditioning.

And let your best be for your friend.
If he must know the ebb of your tide let him know its flood also.
For what is your friend that you should seek him with hours to kill?
Seek him always with hours to live.

The custodians work approximately 225 days a year making our school environment better. When anything goes wrong, the custodians are the first to be called on for help.

Cooks

The Seymour cooks, who arrive at school at 6:45 each school day keep busy preparing meals for approximately 325 students.

Did you know that it takes 150 lbs. of chicken, 400 rolls, 100 lbs. of scalloped potatoes, 25 gallons of soup, or 40 eggs for peanut butter bars for each meal?

The Sewal cook prepares about 90 lunches, and the Promise City cook prepares approximately 75.
